

AMENDMENTS TO THE SPECIFICATION

Please replace the paragraph starting on page 26, line 2 with the following paragraph:

A method for interconnecting a plurality of dies. The method generally ~~comprises~~ includes ~~the steps of (A)~~ receiving a plurality of interconnect requirements for the dies~~7~~. The interconnect requirements may include a priority for each of a plurality of nets. ~~(B) calculating a~~ A position and an angle for one of the dies relative to a substrate may be calculated in response to the interconnect requirements~~7~~, ~~and (C) routing a~~. A plurality of nets may then be routed among the dies and a plurality of substrate pads defining external connections for the substrate. The dies may be mounted to the substrate after routing has been finalized.
